Kidstart Pediatric Therapy

Our 2nd Year Anniversary Event, held on February 16th, was a beautiful reminder of the strong and supportive community we have built together.

THANK YOU

To all the families who attended — thank you for celebrating with us, sharing smiles, and making the day so special for the children and our team.

Funding Changes

Please Stay Tuned

There are ongoing changes to the Funding in British Columbia. We understand this can feel overwhelming, and our team is working on simplifying the information for families. Please stay tuned to our website for clear updates, guidance, and resources as they become available.

TILP

We are excited to share that our Therapy Integrated Learning Program will be launching this March.

We currently have a few spots available.

If you are interested or know a family who may benefit, please reach out to us — we would be happy to share more details.
